

OKAM EMMANUEL UCHECHI.

Phone No: - 09126147330 | emichyartzwork@gmail.com /Ikeja, Lagos.

Career Objective

Motivated Computer Science student with a strong foundation in software development, problem-solving, and creative design. I seek an internship to contribute to innovative projects while enhancing my skills in technology and design. What I love doing to while away time is dancing and get creative doing something.

Education

Bachelor of Science in Computer Science Caleb University, Imota Ikorodu Lagos. 2026

Relevant Coursework: Data Structures and Algorithms, Web Development, Database Systems, Software Engineering, User Interface Design

Technical Skills

Programming Language: Python, React, Typescript, Javascript, Tailwindcss,

Design Tools: Adobe Photoshop, Adobe illustrator, Canva, Premiere Pro

Other Skills: Cinematographer, Video editor, Web developer and Aspiring Software developer, Financial analyst, UAV Pilot.

Extracurricular Activities

Member, Computer Science Club – Organized hackathons and design challenges to promote innovation and collaboration.

Volunteer, STEM Outreach – Taught high school students programming and basic design principles.

Interests

I want to develop strong skills in web development, cinematography

Web development

UI/UX design

Combining creative design with technology to solve real-world problems
